Contingency Planning Issues
Marlboro Racing School

9905

Miami

Issues:

- Hurricane season (August – December)
- Brush fires
- Y2K
- Radiological incident
- Other issues

Considerations:

- Delay of program for upcoming trips
  - Re-scheduling of winners and guests
  - Cash outs
- During program when winners and guests are at the track
  - Evacuation of winners and guests
  - Protection of cars, etc.

Impacts:

- Air travel re-scheduling and penalties: new ticketing required
- Evacuation costs for winners and guests
- Cash outs
- Hotel issues
  - Hotel safety for hurricane
    - Locate new hotel or relocation site
    - Availability of space at a relocation site
    - Winners and guests at multiple sites?
- Ground transportation
  - Availability of transportation to relocate
- Air transportation
  - Flight cancellation
  - Overbooking – no seats available
  - Alternative departure airports

Evaluation and notification process:

- Tracking weather reports (TV news, Weather Channel, weather alert radios)
- Evaluating information
- ERT in NYO
- Corporate Affairs
- Reports from Miami
- Availability of flights
- Cash out or re-schedule decision
- Relocate or evacuate winners and guests
  - Partial evacuation (winner and guest desire)
  - Evacuation protocols

Consider top Sponsors and reschedule courses!!
